The Memphis Appeal

Ties Men Shot - Status of Our Army, Etc.

OATLAND MILES, Londour County, Va. ? December 13, 1861. EDITORS APPEAL: The question that has agiappointment leads me to the opinion that a divi-ation of some three brigades will be formed here. News is current that several regiments are or-

igade as a slight testimonial of their admiration | see of their valer and bravery. He also addressed the 8th Virginia regiment, now stationed at Centerville, but formerly of his command. The genterville, but formerly of his command. and efficient services to his native State. He garden, and they would have no more right to bears with him the love and admiration of his stop ships and carry off our possengers than we should have had to stop a French ship and take soldies here, who wish that he may long live Mr. Smith O'Brien out of her. But this assump-

The greatest difficulty has heretofore existed in regard to procuring furloughs. No soldier exact procure leave of absence save in case of sickness. This has been caused from the imminence of a fight, which might be said to exist daily. I harned from a member of Congress, just from Richmond, that after the 20th of this cash. In exercising that discourage we have of equal consideration for the ships of war of a cash. In exercising that discourage we have a cash. In exercising the discourage we have a cash. In exercising the case in this discourage was a cash. In exercising the case in this discourage was a cash. In exercising the case in this discourage was a cash. In exercising the case in this discourage was a cash. In exercising the case in this discourage was a cash. The greatest difficulty has heretofore existed lowed just from Richmond, that after the 20th of this month, the difficulty will be obviated, and that those who desire can visit home for a short time, those who desire can visit home for a short time, some twenty days I learn. The inference I can sustain their independence, we shall doubt deduce from this lemiency is that no fighting is less recognize them diplomatically as we already and their officers. expected to take place here, from and after the do de facto. aforesaid date until spring. One can scarce grasp anything permanent enough on which to predicate an opinion as to future movements. We against us. In high-handed, and almost desknow not one moment hat the next may bring polic manner, we have in former days claimed privileges over neutrals which have at different the privileges over neutrals which have the privileges that pervade camp, they serve only to feed the world against us. We have insisted e-u upon momentary desire for excitement. No stated programme, save in generalities, can be marked out, for one move of the enemy may frustrate out, for one move of the enemy may frustrate the most exceptibilities and taking British subjects out or being and an an analysis of the most exceptibilities and taking British subjects out or being and an analysis and taking British subjects out or being and an analysis and taking British subjects out or being the ships of war of negocial nations down this way lately. I have not a subject to the paper, but as we have not except the paper, but as we have not except the paper, but as we have not except the paper, but as we have not paper. the most scientifically laid scheme. In a word pressed by their cruises as they were returning heavy and well directed fire on two rebal steams maneuvering armies and playing chess, are from Europe, and stacod as common seamen un-

river report all quiet. Some visiting between arm and the enemy's pickets occur occusionally, which is a most defactable practice in the burnile opinion of your writer; for I cannot seehow any southerner can reconcile it to his feelings of hour to hold friendly intercourse with the villains.

A fire days ago a sharp skirmsh took place at Hopykin's F-rry, between a portion of Col. Ashby is regument and some Yankoes, during which our men killed fifteen and took eighty writeness, while our loss was only five. The colonel also enjoured several wagon loads of carm, etc., with the I subkee trains. This is not the fifteen, the the militia in that vicinity, and he uses then to quite an advantage when occasion presents. He had a brother killed by the Hessians in the battle of Detteel, (I think) and the Yankees have be mend to their sortow that Col. Ashby lives to avege the best of the results and the ream subject in his Comments its of the trains of the strains of the strains of the strains quiet at Centerville at last accounts.

Last week our pickets captured a full company of the enemy's pickets. Our men lost none-of the counts.

Some of the Moria, 'is the right of the right of marking it.'

Again, Lord Stowell, in the same judgment was the stroption and the store that he store of all the English and the stroption and the Name of the colonel also engine the c

Last week our pickets captured a full company of the enemy's pickets. Our men lost none—only one slightly wounded. On Monday last five of our pickets were captured by the enemy, owing, however, to negligeous on their part in allowing themselves to be surrounded. A force of one thousand cavairy and two companies of artiflety immediately proceeded to make a reconstruction of the part of the course of justice in this country."

So far as the authorities go, the testimony of policy of the course of justice in this country."

So far as the authorities go, the testimony of follows:

So far as the authorities go, the testimony of policy of the course of justice in this country."

So far as the authorities go, the testimony of follows:

So far as the authorities go, the testimony of policy of the course of justice in this country."

So far as the authorities go, the testimony of follows:

So far as the authorities go, the testimony of policy of the hands of England is absolutely out of the hands of England and the world may rely upon it, that in this matter as in every other, than a Sumter and eighty half-starved men to their matter as in every other, than a Sumter and eighty half-starved men to the public pace will not be disturbed or hazarded by any persistence of the American government in an unjust or unwarranted public act. If the action of the public pace will be added to the hands of England is absoluted.

From them. Our entering the h nearly to Alexandria, but reported no Yankees in eight. Two balloons of the enemy were obtained in eight. Two balloons of the enemy were obtained in the confidence of the con Quite an excitement was raised on Tuesday by neutrals.

Two men belonging to the Louisiana Tigers on by a naval officer and four boats' crews. were abot last week by sentence of a court-martial. What their offense was I have not learned. that this was not a question to be adjudicated on by a naval officer and four boats' crews. The legal course would have been to take the ship tiself into port, and ask for her condemnation or While it is laurentable that so severe a punishof admiralty. The result might, no doubt, have ment should be inflicted upon a southern soldier, been the same; but if the proceeding was irregit affords cause for remark that such rigidity is ular, we have surely a right to demand that these so seidom called into requisition. In an army prisoners shall be restored. so large as that concentrated at Centerville, When such tremendons interests are at stake where the strictest discipline is necessary, we are struck with the fact that it all exhibits so much priest and decrum. While the enemy's ranks and decrum. While the enemy's ranks and decrum which will be felt in these islands as the order and decorum. While the enemy's ranks are filled with a disorderly licentious, and muthous solidity, ours is entirely clear, and exhibits a body of men intent only upon the one great object, the winning of their independence.

All excitement and interest here now, emanates from the juspardy of Memphis, and the immigration of the case.

On the other hand, we appeal to the reasonation of the federal states—and they have the following better offering, he as without means. Nothing better offering, he from the party of the result of the case.

Career of Gen. Schepfi.

This officer, now in command of a Federal movable strength of determination in its decision to face any consequences that may arise. But, on the other hand, these expects the President to so grave that the nation expects the President to resentment without full consideration of all the bearings of the case.

On the other hand, we appeal to the reasonation of all the bearings of the case.

On the other hand, there exists any consequences that may be as careful not to refuse any just apology (if any be due) as he is firm in his refusal to make one that England has no right to demand.

From the Prince of Gen. Schepfi.

This officer, now in command of a Federal movable strength of determination in its decision to face any consequences that may be greated to the other hand, these expendence of the other hand, the collection of all the other hand, the collection of all the other hand, the evidence is strong.

This officer, now in command of a Federal movable strength of determination in its decision to face any consequences that may lead to face any consequences that may lead to face any consequences on the other hand, the arrest was legally justifiable, the country will stand by it with perfect unanimity and immovable strength of determination in its decision to face any consequences that may lead to face any consequences any consequences of the case.

When Gen. Schepfi. of w ich so much is at stake. Our trust is reposed in the God of buttles, and the strong arms
of the liberty agens, who have buckled on the armor and gone forth to battle for God and a just cause, by gone authorities in justification of sets which unk carried up and down stairs by the present Our prayer is that victory may attend them.

book in Mound City. He had between \$890 and \$1000 with him, and four play is enspected.

The evidences of her unfriendly disposition have been constantly betrayed at every stage in this southern rebellion. Her ministry and her leading journals have labored to their uttermost, in a thousand devicous ways, to uphold the sinking carse of Davis and his rebellious Confederates, and to misrepressure and depinous ways, to uphold the sinking carse of Davis and his rebellious Confederates, and to misrepressure and disparage our army our government, and our prosecution of this war. The rebel steamer Nashville is a piratical cruiser according to the Convention of Paris, to which England was a party. This piratical ship, preying upon our commerce, and immediately after she has captured and burned one of our merchant vessels is admitted into a British port, and is there pernatited to reift and revictoral for another piratical venture. This, too, in the face of Her Majorty's proclamation of neutrality, and in pulpable violation of the spirit of that proclamation. Our Secretary of State, when wated upon by Lord Lyons with his ultimatum in the case of the Trent, can heavily overbalance his account in demanding an explanation of the very elicentive case of the rebul steamer Nashville. We are assured of the convention of Paris, to which the flames broke out, the sum of the process of the rebul steamer Nashville were of the Process of the rebul steamer Nashville were of the Process of the rebul steamer Nashville were of the process of the rebul steamer Nashville were of the process of the rebul steamer Nashville were of the process of the rebul steamer Nashville were of the process of the rebul steamer Nashville were of the process of the rebul steamer Nashville were of the process of the rebul steamer Nashville were of the process of the rebul steamer Nashville were of the process of the rebul steamer Nashville were of the process of the rebul steamer Nashville were of the process of the rebul steamer Nashville were of the proce

account in demanding an explanation of the account in demanding an explanation of the reperson of the rebel steamer Nashville.

We are assured of the competency of our Secretary of State to produce a pause in the hasty and ill-sonsidered warlike fulminations of the British Cabinet. We expect that we will meet the requisitions of Lord Lyons, whatever they may be, with such a bridget of British precedents, authorities and logal opinions, and with such a thorities and logal opinions, and with such a Excepting a few days, this court has now been in sections of the rebel steamer Nashville.

thorities and legal opinions, and with such a catalogue of positive off-cases against an imaginary outrage, as will carry conviction with it to receive the second Monday of Ortober all Convey State of Europe, and compel even England to receive from her weak and intendble inconsistencies. In any event, the surrender of those notorious traitors, Mason and Sidell, into the hands of England is absolutely out of the question.

From the New York Times!

In our opinion, England and the world may rely upon it, that in this matter as in every other, the public pacce will not be disavowed. And in deating the presentation of the criminal law, of which offenders have a case to take notice, it is known and the public law, it will be disavowed. And in deciding this point our government till not be disavowed. And in deciding this point our government will not be disavowed. And in deciding this point our government will not be disavowed. And in deciding this point our government will not be disavowed. And in deciding this point our government will not be disavowed. And in deciding this point our government will not be disavowed as a final. It is the level that the contournment is affected, either by the intended of the content of the leaves of the court has not conformity with public law, it will be disavowed. And in deciding this point our government will not be disavowed. And in deciding this point our government will not be disavowed as affected, either by the his world, either by the his world will be will be well as affected, either by the his world will be will be well as the believed that the dockot for the next term of the level that the content of the leaves and th consistent with the dignity of the State, and of the that this should be so. The occupants of the bench

ought to be as well paid as men in other positions of life. at least livingly so.

Biyer News and Steambout Business. The river is fulling. The weather vesterday was fine, but freezing all day in the shade; on Sanday there was onsiderable rain until a wind sprung up at night and had 222 sks. corn, 780 sks. cotton seed, and bacon, hogs. hides, etc.; she returns this evening. .. The Kentucky from Columbus had 17 bales cotton, 115 sks. corn. nuples. from New Orleans had 1088 bela molumes, 623 hlids.

and others are to make a start title week.

The fine steamers Louis D'Or. Prince of Wales and
Alenno Child are all advertised to leave for Memphis on

lowing items:

The river continues to swell. There is about ten feet water to Cairo. To Kenkuk there is an abundance of water, and on the Raphie no less than six feet, while there is no obstadle to navigation through to Rock leband. The Pambina got in last evening from Keokuk. Her report is to the effect that the river is falling rapidly—at the rate of eight inches per day, and that five fiet is the depth on the worst bars. The Himos is all right. The Brazil went through to Henry, forty miles above Peoris. The river was clear of los, that in Peoria Lake having broken in pant cuttinely disappeaced. The river was open to Lasalle, rising all the way down, with at least five feet on the worst bars. The Missouri was rising at last accounts, with a fine navigable stage. There are important inflighty increments going on at present in the Missouri, and connecres is again sugenided a that stream, except so far as the tiny steamer Mil Boy is concerned. The Sam Gaty got in room Calco and started back yesterday with the remainder of the increar boats, twelve in number.

packet St. Francis No. 3 Capt Bowman, leaves this evening at 5 o'clock. Larry Hermstad, agent. FOR NEW ORLEANS -The steamer Republic, Clark On 'Change-Husiness News.

There was a fair attendance on 'Change yesporfine flour was sold at \$10.19% and extra at \$11.50. There were other sales, the particulars of which were ppressed. Wheat sold at 30 per bushel, curp at 83, 90 and 925ge, per bushet, bran at \$2 per cwt. Sugar was in fair demand at 2% to Disc. for fair to fully fair. The Jorather ensist; 19 to 20c, for prime to choice. Pive hundred sucks Turks Is and salt, in gunny loags, sold by auction at \$3.75 per suck, 500 screened, in Liverpool sucks at \$5, a lot of Liverpool fine at \$6,5% and \$60 sacks Livrpool source at 86.75

The sales on our 'Change were as follows: Flour-Ne tales. Wheat-St bushels fair \$1.55, 230 bushels mixed \$1.60, 100 bushels prime \$1.55. Gorn-800 bushels mixed 80c., 300 anche, double gunntes, 80c., 200 bushels white p. t., 1900 husbels ribe. Oats 70 bushels 95a. Pointers 5 boxes Irish p. t., 40 bushels ordinary \$1.30. Bost-5 t barrels mess p. t. Sugar-27 hogsheads Figs., 5 hogs made 55ac. Molasses-60 barrels 23 gc., 60 half harrels 27c., 27 barrels 24c. The aggregate receipts by railroads and steambox

sterday were: 331 bushels bran, 633 bushels rye, 35 barrels apples, 84 sacks beans, 73 kegs butter, 1 cark baron, 24 bales cutton, 705 sacks corn, 750 sacks cutton seed, 13 bules cotton yarn, 155 ancks coffee, 53 enses dry goods. 24 boxes eggs. 142 sacks and 118 barrels floor. 5 bales hay, 45 hides, 27 head hogs, 27 packages hardrare, 16 harrels and 36 flerces land, 60 barrels lime, 1089 ourrels molneses, 12 kegs naffs, 352 suchs outs, 194 hores ranges, 25 sucks and 103 barrels potatoes, 150 tierces rice I colls rope, 76 barrels and 1178 hogsbeads angar, 416 meks salt. I hogshead, 44 hoxes and 34 packages tobacco 203 sucks wheat, 500 baskets wine.

We copy the following from the weekly summary

he New Orleans Price Current: "The inquiry for our

ading stuple, for future delivery, continued fair during the early part of the past week, and several negociation vial change from previous rates, but the highly important when at dark some person drove it off; it is supposed to political intelligence received since, while it has cause more inquiry at the outside figures, has led factors wit materially advance their pretemions, or to decline e oring into any negotiations until further developmen s made of the course to be pursued by the Federal and a British governments. In case a conflict arises, it may British fleet will be to convoy their merchant viscels insouthern cotton ports and totally raise the existing Incibut blockade, which could not full to be attended wit amercial results of vital importance to the whole Conracy, and with particular benefit to the trade of one wu port. The influence of these events at Liverpoo and New York is shown not only by a decline of ball h ction in the former market, and an advance of 12c. in the latter, where middling is quoted at 42c against 30c before the news, but also by the course of stocks and ex-

COTTON-Referring to our preliminary remark above, we give the following as the negotiations for in-ture delivery, which have transpired since our inst re-port: 100 bales on Monday at 8½, 500 on Wednesday bales on Thursday at 8½, and 25 yesterday at — unsking a total of 132, bales. We have not heard of a sale from the limited stock on the spot. There some receipts, but as they were on special permits from the Governor of the State, for expert, by vesses a which had run the blockade with muniflons of war, and went directly forward, they made no change in our nomina

our quotations as follows: Inferior 1% to 2 Common to Good Common 24 to 2% Pair to Fully Fair 2% to 1% desire to serve their country faitifully and nominant Frime to Choice 3% to 4% Clarified—Yellow 5 to 6%. Seconds—to —, Clarified—White 6% to 7%. Slowe dried white was sold at 9 to 10, and higher according to quality.
